

Homework

Reading

Year 1 will be continuing to learn RWI sounds to support the children with their reading. Please help support your child by reading with them at home on a daily basis. Please remember to record this in the reading record provided. Your child will be responsible for changing their own books. When needed place them in the correct trays outside of the classrooms.

Your child will be expected to have these in school every day.

Spellings

Year 1 will have weekly spelling challenges.

Please check the website each term for the spellings which will begin once the children have all settled in.

Maths

Each term Year 1 will be set an interactive game which supports and consolidates their learning in school. There will be 5 weeks' worth of Abacus homework per term, this may mean at the end of the term there is no work set.

The children will also undertake weekly math's challenges which we will send home for the children to practise further if they wish.
