At WASPS we have been trialing a variety of strategies to reward positive behaviour displayed by children around the school.

### **These reward systems include:**

- **Raffle tickets** that enter the children into a prize draw during Monday's celebration assembly.
- Children who are awarded worker of the week certificates have a **Headteacher's celebration** in which they can discuss their work whilst having a drink with the Headteacher.
- There is a **top table** that children who show excellent manners whilst eating their dinner will be asked to sit at in the dining hall with a friend of their choice.
- Each day class teachers will choose one child to **skip the lunch queue** with a friend of their choice.
- There is now an opportunity for children to **take part in arts and crafts during playtimes** under the pencil canopy shelter and show this work to their teacher.

School council discussed in detail how the children felt these new strategies were going and whether or not they felt that they were effective at rewarding positive behaviour. **After a discussion it was very clear that the children were feeling very positive about each of these new reward strategies.**

They then looked at the WASPS 'Golden Rules' to see how they might be improved and further linked to our school Christian values which will be on the agenda for the next meeting.
