

Maurice Lego Instruction

What did I need?

1. Lego
2. Lego tires
3. Lego tree
4. Imagination.

Method

- First, I got a large green base.
- Next, I put on some red blocks on.
- Then I added lots of blue blocks to make the walls.
- I then put a green and a beige roof on.
- I wanted a door and a windowsill.
- Inside a made a small table with some Lego food.
- I also put on a chimney for the roof.
- I added a Batman baterang.
- I made a person to live in the house.
- I wanted to have a tree to make it look nice.
- The car had a seat, lights at the front and back, four tires, steering wheel and dashboard.
- Finally I can park the car on the roof.
