Dear Parents,

We would like to take this opportunity to welcome you as a parent to Weston All Saints Primary School. This is a very exciting time for you and your child and, ordinarily, as part of our transition programme from preschool to school, we would be writing to invite you and your child to attend several events over the course of the summer term. Given the current situation with COVID-19 and school closures we are, however, having to adapt our approach. We would like to take this opportunity to assure you that we will do all we can to make certain that your and your child's introduction to school is a positive experience.

Currently, the Reception class teachers are contacting pre-school settings to speak to their staff in preparation for September.

As a school we feel that it is very important that we work with parents to ensure children are happy and settle well during the first term at school. Due to the unprecedented circumstances that we currently find ourselves in, our school calendar and events are on hold until further notice. Normally, we would invite your child to a play session during the latter part of the summer term, to meet WASPS teachers and other new Reception children. Clearly, we cannot do that at the moment. Instead, we have prepared this pack, which contains, along with this letter, an information booklet and two stapled bundles – one is a set of information for you to keep. The other is **a set of forms that we need you to complete and return to us by post by Monday 6th July, along with a copy of your child's birth certificate.**

To enable you to gain as much information as possible we have created a short video with an introduction to the senior leaders in school and a summary of the essential information. Please refer to the following link:
www.wasp-school.org.uk/year-groups/new-starters.

We invite you to email any questions you may have after watching the video. We shall then post a list of FAQs on our website. **We also ask that you email us to confirm your contact email address to ensure that we can communicate with you under the current circumstances.** Please email us with your contact details and any questions at admissions@wasp-school.org.uk, typing NEW STARTER, along with your child's name in the subject box.

At present, we are unsure of what arrangements will be in school come September. This cannot be confirmed until we have clarity about government guidelines in relation to social distancing and other safety measures. Please keep an eye on our website as this is where we publish information as it becomes available.

We are all very much looking forward to working with you and your child over the next year.

Yours sincerely,
Mrs Sarah Halls
