

#StaySafeGetActive on your journey to

W. A. S. P. S

28th August 2020

Dear Parent/Guardian,

The area outside our school is busy in the morning and at the end of the school day. Some drivers park irresponsibly, potentially placing children in danger. Please help create a 5-minute protective Walking Bubble around our school so that everyone can travel safely and actively to school.

By completing and returning the tear off slip below, you are committing to protecting the lives of all the children and families who attend our school. Your example will encourage other parents to also #StayStayGetActive on their journey to school.

Yours faithfully,

Mrs S Halls
Headteacher

Mrs S Badger
Deputy Headteacher

#StaySafeGetActive

Supported by the

Department
for Transport

Thank you for pledging to support our 5-minute Walking Bubble

- I will protect the safety of children at my school by walking, cycling or scooting wherever possible.
- I will try to use my car as little as possible for school journeys
- When I do drive, I will park at least 5-minutes away from the school gates and walk the rest of the way.
