

## Home Learning w/c 18<sup>th</sup> January

**Handwriting** – Keeping up neat and tidy handwriting is very important. Practise your handwriting by watching the video below. There is also some handwriting paper available for you to use. Remember that we don't join from certain letters. There is a copy of rules available for you below.

[Miss Ward's handwriting video](#), [handwriting paper](#), [handwriting rules](#)

### Monday 18<sup>th</sup> January

**Literacy** – There are two reading comprehension to choose from today. The 1 star challenge is all about Susie Scooter. The 2 star challenge which is a little trickier is all about 'Lindow Man'. Choose one of the videos below to watch, then complete the matching questions to complete.

[Miss Ward's Susie Scooter video \(1 star\)](#), [Susie Scooter text](#), [Susie Scooter questions \(1 star\)](#), [Mr Randall's Lindow Man video \(2 star\)](#), [Lindow Man questions \(2 star\)](#)

**Maths** – Watch Miss Ward's Maths video about counting up to subtract, then choose one of the challenges to complete. They range from 1 star to 3 star. You only need to complete one of the challenges, then you can choose one of the extra activities to complete if you finish.

[Miss Ward's Maths video](#), [1 star challenge](#), [2 star challenge](#), [3 star challenge](#), [square subtraction challenge](#), [mixed times tables word problems](#)

**Science** – Watch Mr Suplewski's Science lesson video below to set you off on your paperclip investigation. The investigation sheet is included below too.

[Mr Suplewski's Science lesson video](#), [Science investigation sheet](#)

Have a look at this video where magnet and forces are used in fun way. Maybe you can try to do some of them.

[fun magnet video](#)

**Key Vocabulary:** forces, pushes, pulls, gravity, contact, magnet, magnetism, fair test, results.

**PE** – Watch Mr Suplewski's introduction to PE below. Have a go at the latest Joe Wicks workout below.

[Mr Suplewski introductory PE video](#), [Joe Wicks daily workout](#)

### Tuesday 19<sup>th</sup> January

**Literacy** – Today you will look at prepositions. Watch Mrs Snook introduce prepositions below and then create a scene to write about using prepositions of place. There is also a power point to help you.

[Mrs Snook's preposition of place video](#), [preposition power point](#)

**Maths** – Watch Mrs Snook's video lesson about division and remainders then choose one of the challenges discussed.

[Mrs Snook's Maths lesson video](#), [Maths paper](#)

**Art** – You are going to make your Celtic shield! Watch Mrs Snook's video to find out what you need and how to make it! If you have already made a Celtic shield, you could make another piece of Celtic weaponry! Do some research to find out what else you could make.

[Mrs Snook's Celtic shield video](#)

**PE** – Using home made equipment, try the challenges from this fun home exercise video. Test your balance, cardio and coordination skills. All you need is a little of space. Today we have "Towel Fold Target Challenge". Let's go!

[PE challenge video](#)

### **Wednesday 20<sup>th</sup> January**

**RE/Literacy** – Have you heard the parable of 'The Lost Son'? Watch Miss Ward's video introduction below to hear the story. There is also a BBC video of the story you can watch. Think about the questions Miss Ward asks in the video and then as the father, design your own invitation to the party.

[Miss Ward's RE/Literacy video](#), [BBC video](#)

**Maths** – Today Mr Randall will take you through further consolidation of division with remainders. Watch the video introduction below and then choose one of the challenges.

[Mr Randall's Maths video](#), [1 star maths](#), [2 and 3 star maths](#)

**Music** – This week you will be having a look at a task on BBC Ten Pieces from a piece called 'Mambo'. Get your kitchen equipment out to have some fun with rhythms! You can find other tasks listed on the page below to complete. You could even draw a picture in response to the music or you can join in with the music.

[BBC Ten Pieces Mambo](#)

**French** – Watch Alexa's video below to learn about different seasons and weather. Watch the video more than once to practise pronouncing the phrases and words. Then complete the worksheet to draw the different weather for each scene.

[Weather and seasons with Alexa video](#), [weather worksheet](#)

### **Thursday 21<sup>st</sup> January**

**Literacy** – For the next two weeks we will be looking at a new genre in writing – newspaper reports. This Bitesize film is a really good introduction to help us understand the main parts

of a report. Have a look at the film and power point to help you with the task today. You can also watch Mrs Snook's introductory video to get you started.

[Mrs Snook's report writing video](#), [report writing power point](#), [Bitesize clip](#)

**Maths** – Watch Mr Suplewski's Maths video introduction to solving additions and subtractions. You will need to choose a mental strategy for each question.

[Mr Suplewski Maths video](#), [1 star challenge](#), [2 star challenge](#), [3 star challenge](#)

**Topic** – Watch Miss Ward's introductory video about the lesson. This week we are looking at Lindow Man. You may have read about him earlier in the week. If you haven't, you can read the comprehension text about him again below, but you don't need to answer the questions if you have completed the alternative challenge. You could also do some research about him if you wish to find out information. Complete the worksheet below to show what historians learnt from Lindow Man.

[Miss Ward's introductory topic video](#), [Lindow Man text](#), [Lindow Man evidence worksheet](#)

Find out more about Celtic cooking in this week's [Iron Age Diaries](#)

**PSHE** – This week we are looking at Human Rights, what they are and how they protect people in the UK and around the world. Listen to the song about Human Rights and read the power point. Then design a poster displaying the different Human Rights that people have.

[Human Rights song](#), [Human rights power point](#)

### **Friday 22nd January**

**Literacy** - Watch Mrs Snook's Literacy video to continue working on your report. There is also a report template available for you to use.

[Mrs Snook Literacy video](#), [report writing template](#)

**Spelling Test** - Click below to take your spelling test. You only need to complete the test for the star challenge you have been learning.

[1 star spelling test](#), [2 star spelling test](#)

**Maths** - Complete your times tables challenge for this week by choosing one of the challenges at the top of the page. Then have a go at one of the investigations below. We will not be completing a driving test this week.

[totality investigation](#), [strike it out investigation/game](#), [the remainders game](#), [further remainders investigation](#)

**Outdoor Learning** - Have a go at bird watching and signs of spring with Mr Randall! Watch his introductory video to this week's outdoor learning below.

[Mr Randall's outdoor learning video](#)

### [Home-made bird feeder](#)

Food from your kitchen that birds like to eat – Bananas, cooked pasta or rice, Eggshells, Hard cheese, Melon, apples, pears, pumpkin seeds, sunflower seeds, peanut butter raisins or sultanas, bacon rind.

**Wellbeing Session** - Have a go at making a compliment tree today. You can collect some twigs from the garden and place them in a jar. You could paint the twigs or spray paint them to make them look colorful. You could then begin to write some compliments on a piece of paper and hang them on the branches of your tree by attaching string. You could add one each day, or as many as you like as often as you like. People in your house can then return to the tree to read all the lovely positive compliments. Alternatively you could grab a compliment jar to pop your compliments in if you don't have any twigs available.
