

Dear Parents/Guardians,

Please let me introduce myself, my name is Alex, and I am the new Primary School Programme Lead for the Bath Rugby Foundation and my aim is to support you all in these challenging times. Following the success of our Summer and Christmas Breakout Projects, we are running our Community Breakout Project in the week of the 18th of January which continues are focus in supporting families within their homes.

Our Christmas Breakout Project provided 196 food parcels and a range of interactive and inclusive activities to families across three locations. This time, we are providing each family with a food parcel delivered to their home address, a ready-prepared meal, more fun activities including a craft activity and materials for the entire family to do at home together and two live streamed virtual Zoom sessions in the form of a 10-minute exercise workout and 30-minute cooking lesson.

To register for this support, parents/guardians please click on the following link: <https://app.upshot.org.uk/signup/abdc586d/> and register your details. We hope we can provide you with some level of support during these challenge times.

Thank you and I look forward to hearing from you.

Kind Regards,

Alex Randall
