23 February 2021

Dear Parents/Carers,

As you will be aware, the Prime Minister yesterday announced that, as part of the first stage of the 'roadmap' for the easing of the lockdown restrictions, schools will open to all pupils on Monday 8 March 2021. The prioritising of the reopening of education settings is due to the significant impact caused by being out of school to the mental and physical health and wellbeing of many children and young people.

Along with staff across our schools, I am very much looking forward to welcoming back all children for face-to-face education. Throughout the course of the pandemic, schools across our Trust have worked very hard to ensure that we have in place systems of control which keep the children and staff as safe as possible. We will continue to review those measures in light of the updated guidance that the Government has provided.

Over the coming week, your child's school will be in touch with further information to support your child in the return to school as well as information about 'wrap around' provision (ie breakfast and after school clubs). I would ask that you please be patient as they prepare this information to share with you.

In the meantime, my thanks once again for the support that you are continuing to offer.

With kind regards,

A handwritten signature in black ink, appearing to read 'Emily Massey'.

Emily Massey
Chief Executive Officer

Chief Executive Officer: Mrs Emily Massey
