

Dear Parents

**Y1 to Y6 CLUBS LIST – Term 6, Summer 2021**

Please find overleaf details of the Clubs on offer for Term 6, 2021. The Clubs will run from **Monday 14<sup>th</sup> June 2021 until Friday 16<sup>th</sup> July 2021.**

In order to make the allocation of places at WASPS Clubs fair, we aim to allocate **one** Club per pupil. However, due to current safety measures, we can only keep clubs within year groups. We are offering at least 60 spaces per year group and we hope this meets demand. We ask that your child returns their choice of club to their class teacher by **Tuesday 8<sup>th</sup> June 2021.**

To clarify further:

- We cannot guarantee a place for your child
- We will do our utmost to cater for everyone
- Each child can put down two choices – first and second – on their Club Request Form and should return their form to their class teacher by the deadline of **Tuesday 8<sup>th</sup> June 2021.**
- To allow classes to mix across year groups, clubs will have to take part outdoors. Given the time of year, we anticipate good weather and Clubs will only be cancelled in the event of extreme weather.

We would like to remind everyone that Clubs are **voluntary** on the part of the teachers and pupils but if your child signs up for a Club, it is expected that he/she will attend that Club **every** week if allocated a place – especially with limited spaces this term.

If for any reason your child really cannot attend for one session, the teacher must be informed in writing. A register will be taken at each session, and we want to avoid the teacher spending valuable time tracking down a missing pupil and causing unnecessary concern.

We would also ask that firm arrangements are made to collect your child promptly at the end of the Club so that he/she is accompanied home safely. Due to COVID restrictions, you **cannot wait on site** for your child's Club to finish, but instead **come to meet them at the end of the Club where you would usually collect them at the end of the normal school day.** For the finish time of the Clubs, please see overleaf.

When supporting your child(ren) in selecting and signing up for Clubs after school, it is obviously important to consider carefully which days are convenient for your family/carers to meet and take children home.

We appreciate your co-operation with these important issues, which will ensure the enjoyable and safe participation of your children in the many after school activities. Thank you.

Yours sincerely
