WELCOME BACK!

It has been a fantastic start to the new academic year here at WASPS. With new routines, new focuses, and exciting opportunities ahead, the whole school community has embraced the changes with enthusiasm.

The children have adapted wonderfully to the mixed-age classes, and it has been lovely to see new friendships blossoming across the playground.

The effort and dedication shown by the school team in creating a beautiful new space for our Infant children has truly paid off. The children now enjoy inspiring learning environments on the former Middle WASPS site, and the extensive renovations to both the Reception and Year 1/2 playgrounds have transformed the outdoor learning opportunities available to them.

WASPS would like to extend a heartfelt thank you to Chrissy Gray, Linh Kooc and Jack Sladek for organising and leading the project, as well as to all the parent and teacher volunteers who generously gave their time and support. As many of you will have already seen firsthand, the children are thoroughly enjoying the new spaces and making the most of everything they have to offer.

Message from the Headteacher

Thank-you to everyone who has made me feel so welcome in my first two weeks at the school. It has been lovely to hear parents and staff comment on the calm start we have had, and to start to get to know the children. I've also been welcomed by the church community and have very much enjoyed my first fortnight at Weston All Saints.

The teaching staff have been talking to the children about the 'WASPS Way' as a way of describing the routines and expectations they have been reminded of for the start of the year. Built around our three core school rules of 'Be Ready, Be Safe, Be Respectful', the WASPS way of lining up sensibly, being on time, moving around the school calmly and so on is something that the children have impressed me with. Re-enforcing those rules, and helping children to arrive on time is of course something that parents and carers can really support with.

Building on that, I've introduced to the children Rev Tom Yacomeni's suggested small changes to the school's Christian Values. As both a governor and our rector, Rev Tom has suggested the values pictured to the right.

We would love to take comments on these from parents and children. I warn you that this isn't a short questionnaire (although you can take shortcuts within it) but if you have 15 mins or so to take a look and contribute to how these values are described in our school, I'd be very welcome.

I'm looking forward to the coming weeks, including joining Year 4 children on their overnight stay at St Briavel's Castle soon. Meanwhile do keep an eye on the Dojo calendar - we'll shortly be adding dates for parents' evenings next term, for example.

I hope you have a very good weekend.

"The school's values of aspiration, resilience and community unite everyone. St Mark's is a special place where difference is celebrated and pupils are able to succeed and be themselves." (Ofsted 2026)

We would like to welcome you to St Mark's School. Set in picturesque grounds on the outskirts of Bath, St Mark's is a smaller than average sized mixed secondary school but our smaller size doesn't limit what we can offer.

St Mark's is a caring school that welcomes newcomers to our community. I know that the staff and students of St Mark's share my pride in the school and I am sure that, when you visit us, you will understand why.
